Item # 980, Personal Sound Masking System

Personal Sound Masking System

SOUND SCREEN® Electro-mechanical sound conditioner - Model #980

Marpac's Sound Screen® captures the smooth sound of rushing air. It offers the key benefits of modern sound conditioning in a low-cost, electro-mechanical unit.

Potential users of the dual-speed 980 include restless sleepers, office professionals, shift workers, infants, children, students, apartment dwellers and many others. They can be assured of an effective and dependable product that has been the best selling sound conditioner in the U.S. for over thirty years. Sound Screen® can help improve sleep, enhance the ability to concentrate and relax, and reduce stress. In today's crowded and noisy environment, that relates to a steady consumer demand, and that can mean a good night's sleep for you.
